

ABOUT THE CLINICIAN

Dave Farley, CF APF

Dave Farley of Coshocton, Ohio has been shoeing horses for over 40 years. He has shod for a broad range of disciplines, including Western horses, Reining, Dressage, Hunters and Jumpers. His business today is focused on Hunters and Jumpers on the "A" circuit.

Throughout his shoeing career he has participated in educational functions. For a number of years he has been doing shoeing clinics in the US and Canada, many sponsored by FPD but also as a guest speaker and clinician at events like the AFA Convention and the International Hoof Care Summit. In 2000 he received the Clinician of the Year Award from the AFA, in recognition of his contributions to the industry. In 2008 he was inducted into the International Horseshoeing Hall of Fame.

Dave is known for his willingness to share his knowledge and experience with farriers throughout the industry. His dedication is obvious to those who have heard him speak in the past. Dave is a founding member and Immediate Past President of the American Association of Professional Farriers. This is a national farriers association focused on continuing education for the trade.

He also partnered with Roy Bloom to form a video company called Hot Iron Productions. The goal of the company is to produce top quality video footage to help explain shoeing and forging concepts, including their latest issues, 12 Points of Reference – Balancing the Equine Hoof and Shoeing the Jumper.

FEATURED PRODUCTS

**Liberty Cu
Horseshoe Nails
with Copper (Cu)
Shield Technology**

In addition to all of the same great features of the regular Liberty nail Liberty Cu horseshoe nails include Copper (Cu) Shield Technology. This technology provides much more protection than traditional horseshoe nails. Hoof wall, white line and sole are stronger and healthier when Liberty Cu nails are used on a daily basis. The Copper (Cu) Shield Technology is unique to Kerckhaert and Liberty Cu horseshoe nails. Ask us about the full line of Liberty Cu Nails:

5 City, 5 Slim, 5 Combo Slim, E-2 Slim through E-7 Slim, LX-50, LX-55, LX-60, LX-65, LX-70, Hybrid in sizes 3, 4 and 5, and Race in sizes 3-1/2, 3-1/2 XL, 4-1/2 and 5.

**Aluminum
Century
Degree
Unclipped**

Kerckhaert has produced the Aluminum Century Degree to complement the Aluminum Century

Unclipped shoe. Farriers will find a wedge platform on this shoe, with many of the features of the unclipped series. Shoes are symmetrical.

The Aluminum Century Degree is available in sizes 000-1 and punched for 4-1/2 Regular, 5 Race or 5 Slim nails.

**Diamond®
Tracker**

**One shoe,
countless
shapes.**

Saving you time and money. Kerckhaert continues to make innovative changes to the Diamond brand with the new Diamond Tracker horseshoe. The first shoe in this style that can be easily converted for both front and hind. Features a V-Crease and Sole Relief, and has ideal nail hole position and good heel support. Punched for City, Slim or Combo blade nails. In sizes 00, 0, 1 and 2.

**Bellota Razor
Plus Rasp**

Using a higher grade material for the Bellota RAZOR Plus rasp, it has proven in farrier testing to have a longer life. In addition, the tooth design is more aggressive and requires only a very light stroke in the early stages of using the rasp.
