

ABOUT THE CLINICIAN

Hank Chisholm, CJF

A graduate of Oklahoma Horseshoeing School in 1986, Hank completed the basic certification in the early 90's and journeyman certification in 1997.

Following a five year apprenticeship, Hank built his farrier business focusing predominantly on western horses; barrel horses, rope horses, reining horses, hunters, and show jumpers.

He has been an active member of the Southern Farrier's Association since 1992 and served as President for six years. He also served as a Region 4 Director for the American Farriers Association (AFA).

At the 2015 American Farriers Association Convention, Hank was awarded the Edward Martin Humanitarian Award for his active effort to promote goodwill in the farrier profession. Through his drive to promote education through certification, Hank became a Certified Tester and a Certified Instructor for the AFA. In 2018, he was honored with the Walt Taylor Award for his unlimited service and unselfish devotion to the farrier industry.

Throughout his career, Hank has attended many clinics and seminars where he's increased his knowledge of the equine anatomy, learned the fundamentals of the farrier business, and witnessed the importance of certification.

Hank lives in south Mississippi where he has operated a full time farrier business for 32 years. He is dedicated to constantly improving his skills and knowledge in an effort to help the horse as well as other farriers.

FEATURED PRODUCTS

Liberty Cu Horseshoe Nails with Copper (Cu) Shield Technology

In addition to all of the same great features of the regular Liberty nail Liberty Cu horseshoe nails include Copper (Cu) Shield Technology. This technology provides more protection than traditional horseshoe nails. Hoof wall, white line and sole are stronger and healthier when Liberty Cu nails are used on a daily basis. The Copper (Cu) Shield Technology is unique to Kerckhaert and Liberty Cu horseshoe nails. Ask us about the full line of Liberty Cu Nails:

5 City, 5 Slim, 5 Combo Slim, E-2 Slim through E-7 Slim, LX-50, LX-55, LX-60, LX-65, LX-70, Hybrid in sizes 3, 4 and 5, and Race in sizes 3-1/2, 3-1/2 XL, 4-1/2 and 5.

Diamond® Classic Heeled

The Diamond Classic Heeled is a one shape pattern (no front or hind) and features crisp, clean heel calks that are integrated into the forging process. This process creates a strong, yet lightweight shoe, giving the horse increased traction in rough terrain. Shoes are symmetrical. Punched for City or Slim blade nails and available in sizes 000, 00, 0, 1 and 2.

Bellota Razor Plus Rasp

Using a higher grade material for the Bellota RAZOR Plus rasp, it has proven in farrier testing to have a longer life. In addition, the tooth design is more aggressive and requires only a very light stroke in the early stages of using the rasp.

Diamond® Tracker One shoe, countless shapes.

Saving you time and money. Kerckhaert continues to make innovative changes to the Diamond brand with the new Diamond Tracker horseshoe. The first shoe in this style that can be easily converted for both front and hind.

Features a V-Crease and Sole Relief, and has ideal nail hole position and good heel support. Punched for City, Slim or Combo blade nails. In sizes 00, 0, 1 and 2.

Kerckhaert SX-7

The first Kerckhaert shoe designed specifically for the North American market. These light, strong shoes are among the most popular in the line. Used for a wide variety of disciplines, these 1/4" shoes allow good nailing and fit without adding excess weight. Shoes are symmetrical. Sole relief available on fronts.

Punched for 5 Slim and 5 City. Available in front and hind patterns, clipped and unclipped.
